

# Trisha Mody

## User Experience & Interaction Designer

---

### Experience

**Atlassian** *Nov '22 - Current*

#### Senior Design Associate

Leading the end-to-end consolidation for ChatOps integrations on Jira Service Management from Ops Genie.

**Microsoft** *Nov '20 - Nov '22*

#### Designer II

Drove the end-to-end admin-lead migration (built on Stream Admin Center & SharePoint Admin Center) from Stream (Classic) to Stream (on SharePoint), impacting 3.5 mil. active users.

Spearheaded accessibility to build inclusive products and empower all our users.

Built synergies with teams across geographies to design the new camera experience for M365 (Stream, Teams, Outlook, Office, Yammer, etc.).

**Samsung** *Feb '18 - Nov '20*

#### Lead Designer

Designed and managed the localised experience for Samsung Galaxy Store.

Received an A2 grade patent for AliveShot; an on-device intelligent feature that auto crops the relevant area on a screenshot.

### Internships

**Samsung** *Aug '16 - Jan '17*

#### Product Designer

Created models and renders for design proposals on Solidworks, Rhinoceros and Keyshot for speakers and the Samsung J series; Smart Glow phone.

**Kavya Creations & Lemon Trunk** *Jun '15 - Aug '15*

#### Product Designer

Designed and manufactured soft furnishings, bag packs, accessories and merchandise.

**Viacom 18** *May '12 - Jun '12*

#### Content Review

Analysed tv shows and provided creative input to marketing teams and screen-writers.

Conducted user research to identify target audiences.
